Frequently Asked Question: Can I park my RV at a Walmart store?

Answer While we do not offer electrical service or accommodations typically necessary for RV customers, Walmart values RV travelers and considers them among our best customers. Consequently, we do permit RV parking on our store lots as we are able. Permission to park is extended by individual store managers, based on availability of parking space and local laws. Please contact management in each store to ensure accommodations before parking your RV.

The ABCs of RV Camping at Walmart

[RVtravel.com](#) editor Chuck Woodbury explains the “unofficial rules” for spending the night in an RV in a Wal-Mart parking lot. The price is right: free. But there is a right way and wrong way to do it. Learn the right way here. Watch the video below.
